LETTERS

Dear CRACKED,
We all love CRACKED in Australia. Keep up the good work and keep sending it to us! It's the best thing since sliced bread!
David des Jardins
Toowoomba AUSTRALIA

And it's been proven that it tastes great with peanut butter, too!

Dear CRACKED,
My friend and I like to engage in mindless trivia and we think up a question that no one had an answer for: When did the ever-present CRACKED logo first appear?

T. Riviera
Pursuit-by-the Sea AZ

A version of the present CRACKED logo has been used since Issue #11, Oct. 1959. But, the actual logo we still use first appeared in issues 18-25 (Feb '61-July '62), then used in every issue from #38 (Aug '64) to the present. The current logo was designed by SOL BRODSKY who also created the Fantastic Four and Spider-Man logos for Marvel Comics. By the way, CRACKED #1 was dated March 1958, so this issue marks 27 years of non-stop laughs! And no one even sent us a birthday card...

Dear CRACKED,
Why don't you come out with an edition on Kung Fu? I'd like it very much!
Christopher Devlin
Blackwood NJ

Kung Fu? Gosh, guess you missed the Kung Fu special in CRACKED #119 (on sale summer of 1974!)

Dear CRACKED,
I completely enjoy your new feature ROBOT WARS. I calculate that it will be very successful. Best in '86!

I. Reaubot
Asimoville KS

This is a good place to introduce the new artist on ROBOT WAR, the illustrious Illustrator STEVE DITKO. And if you enjoy robots and science fiction in general, beam up a copy a GIANT CRACKED SCI-FI SPECIAL (#43) on sale NOW!

Dear CRACKED,
I just saw Back to the Future and I loved it! Are you going to do a movie satire on it?

Kevin Duncan
Oakland CA

You bet Kev. Just turn back to the next page for our version of BACK TO THE FUTURE. Seriously though, we work so far in advance on CRACKED material that our parodies come out after the movie have been out for a while. For instance, the new SCHWARZENEGGER super-hit, COMMANDO opened on October 4. Our parody COMMANDOPE was written by the 7th and artwork (by BOB "Cracked Max" FINGERMAN) began by the 11th! Yet the story won't appear until next issue which will be on sale the second week of January, which is some time after the movie opened! So, if there's some TV or movie you want us to hit, you better tell us quick, before it's gone!

Dear CRACKED,
I recently picked up the MONSTER PARTY edition of EXTRA-SPECIAL CRACKED and showed it to my pal the FRANKENSTEIN MONSTER. Needless to say, it kept him in stitches! The eerie cover grabbed me by the throat and the UGGLY FAMILY made me laugh until I was sick! Keep up the good work. Will we see more of the UGGLY's?

"Ygor" Lumpbach
Notre Dame WI

Yes! That freakish family has an all-new feature in GIANT CRACKED #43!

Dear CRACKED,
Have you heard about the new breakfast cereal for lawyers? It's called FRUIT LOOPHOLES!

Jon Flynn
Port Charlotte FL

That's a new one on us. SYLVESTER tried to market his own cereal, CRACKED CRUNCHIES, but who wants to buy a box full of crumbs?

Dear CRACKED,
I have this fantastic idea! It's a really good idea! I mean it's so good it's radical! Do you want to know what it is? I bet you do! It's a perfect idea! It's really great! OK, I'm going to tell you! Oops! I forgot the idea!

William Haywood
Los Angeles

We had a great response to your letter, but we forgot it!

Yo CRACKED Man,
Like I think that you dudes should put out your own line of skateboards! Like CRACKED CONFUSION 10x30, CRACKED VISION 9x27 and CRACKED IMPULSE 10x30.5!

Slash
Upper Montclair NJ

Er, that's real rad, dad, but don't lean on us about it! Call your favorite board manufacturer and bug THEM about it!

Dear CRACKED,
I think you guys are a bunch of nuts that go around pushing crazy things to kids and I like it!

Jody WW.
Marion VA

Good!

Hey John! It's me—Joe!
Whaddaya mean "Joe Who?" Joe the ace **CRACKED** movie parodyist!

Oh, hey Joe! What's up?

What movie're we doing?

I thought I'd phone in the next script to you!

Only the hottest film of 1985!

Which One? You know I don't go to the motion pictures! I don't even have a TV!

Yeah—but I had to blow it up so I could paint the cover for **CRACKED COLLECTORS' EDITION #64!**

I thought you just got a new TV and video deck!

Well, this movie was #1 for months! Maybe 'cause it was a **Spielburg-blessed** flick which guaranteed it a —

In the news—a six pack of plutonium has been heisted from the fridge of the Nuclear Regulatory Commission—

DOC CLOWN?
It's me **SMARTY!** I'm at your lab!

Obviously you idiot! I called you! Meet me at the **PALL MALL** at 1:15 A.M.!

But I'm supposed to start filming **TWEEN WOLF** and **FAMILY BOW-TIES** tonight!

SMARTY! Don't dissappoint me, Bwana!

HEY JENNIFERN! Wanna lift?

No thanks Smarty! I hope you don't plan to take me to the drive-in tonight on a skateboard!

Heck no! Dad's gonna lend me his tricycle and sidecar!

OH, the tribulations of being a teen TV and movie star in constant demand!

PLANT A TREE!

YECH! You didn't tell me it was one of those teen movies, Joe! Is it like MY REAL WEIRD GENIUS SCIENCE PROJECT or something?

Trust me John, it gets better!

DAD! The tricycle and sidecar are demolished!

W-Well son, BEEF here ran over it with a steamroller for a segment of LATENITE with DAVID LETTERMAN!

Yeah! Your tricycle's famous, McFlypaper! And you better have my laundry done by tonight or I'll rip your lungs out!

Finish your muskrat porridge Smarty! By the way, Jennifer called. Girls today! Why in my day I never called on a boy!

In fact, I had no bad habits! I only kissed one boy—your father! It was at the 100,000 LEAGUES UNDER the SEA Dance! I knew then that I would become Mrs. Jerk McFlypaper!

*NOTE: Ironic and humorous foreshadowing involved! See Page 10, Panel 3! Editor

Here 's where the fun begins John! You'll be able to draw all kinds of ginchy special effects!

DOC! It's 1:15 A.M. What did you want?

To show you this time machine! I strap my dog into the car and this remote will cause it to speed up to 88 M.P.H. Then do you know what happens?

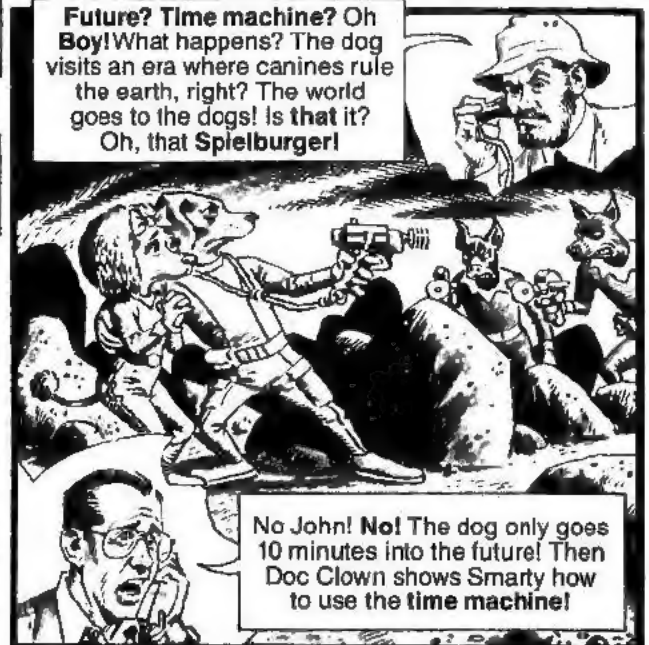

He'll be the first dog to get a speeding ticket!

No! He'll travel into the future!

um—that was my second guess!

Future? Time machine? Oh Boy! What happens? The dog visits an era where canines rule the earth, right? The world goes to the dogs! Is that it? Oh, that Spielberg!

No John! No! The dog only goes 10 minutes into the future! Then Doc Clown shows Smarty how to use the time machine!

This clock tells you what year you're going to. This clock tells you the present time!

What's this clock tell you?

It tells you when the frozen pizza in the microwave is done!

What powers this thing?

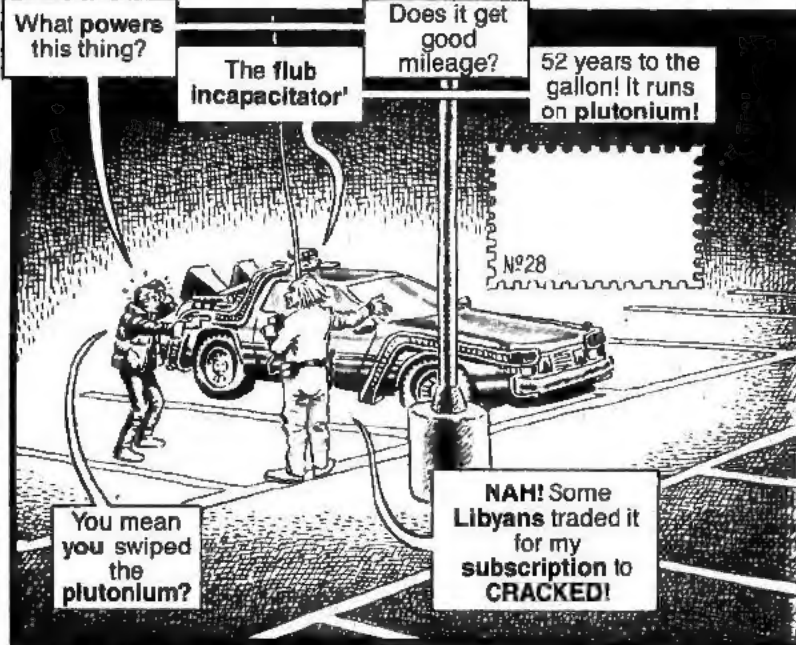

The flub incapacitator!

Does it get good mileage?

52 years to the gallon! It runs on plutonium!

You mean you swiped the plutonium?

NAH! Some Libyans traded it for my subscription to CRACKED!

BRING BACK THE BUFFALO NICKEL!

It's the Libyans! Run Smarty!
They musta found out my

The Civil War! Smarty zips in, helps the
Rebs and defeats those cornsarn Yanks!
You're right Joe! I'm enjoying this!

er, sorry John! You won't be drawing
any Civil War scenes in this story!
Smarty only goes back to 1955!

Either I've gone back in time
or everyone is suffering from

UHOH! DAD!

FOR THAT
CAR!!

I wanted to be sent back to
the future by car, but this
is too much!

KER-

YOW!
Where am I?

Daddy hit you with the car, so
we brought you home! My
name's Lobrain!

Lobrain?
Could
this be my
mother?

I brought you some cold
muskrat porridge!

ICK! That sure is my
Mom!

The plot thickens as Smarty meets
the Doc Clown of 1955!

How do I know
you're from the
future?

LOOK! Here's a popular
magazine dated 1985!

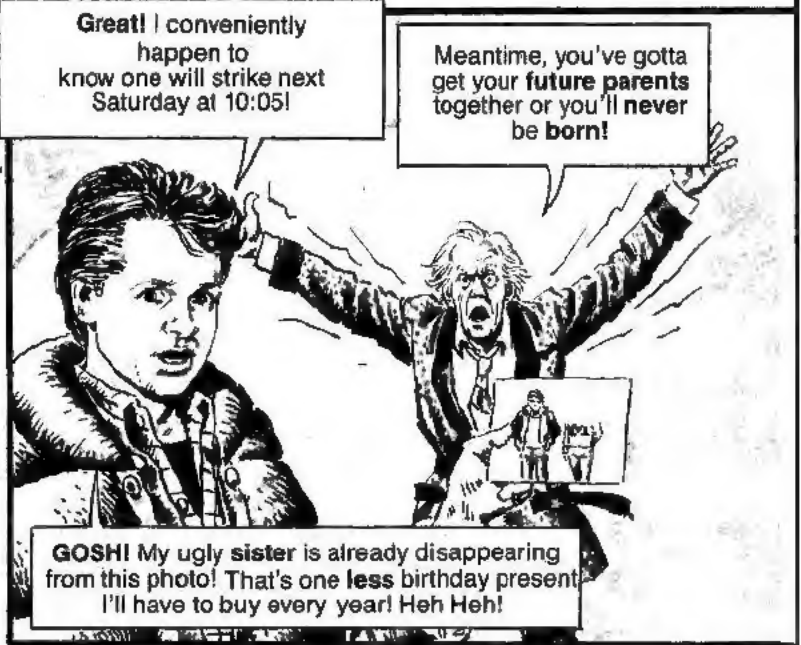

EGAD! You must've had a third World War and
that's a radioactive mutant!

To travel back
to 1985
you'll need
21 zillion
watts of power!
There's only one
thing that
produces
that much
raw power!

Yeah, but how're we gonna
get Van Halen to perform here
in 1955?

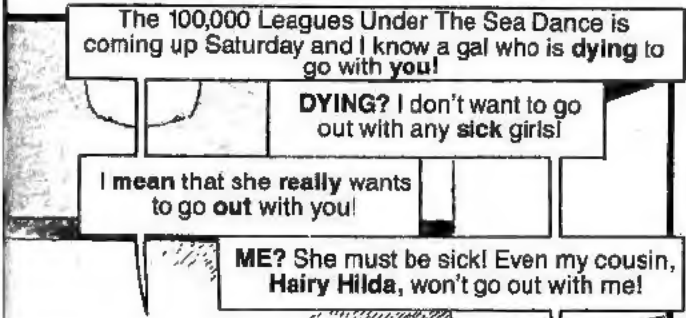

Vah Huh? I'm talking 'bout a
lightning bolt son!

Great! I conveniently
happen to
know one will strike next
Saturday at 10:05!

Meantime, you've gotta
get your future parents
together or you'll never
be born!

GOSHI! My ugly sister is already disappearing
from this photo! That's one less birthday present
I'll have to buy every year! Heh Heh!

The 100,000 Leagues Under The Sea Dance is
coming up Saturday and I know a gal who is dying to
go with you!

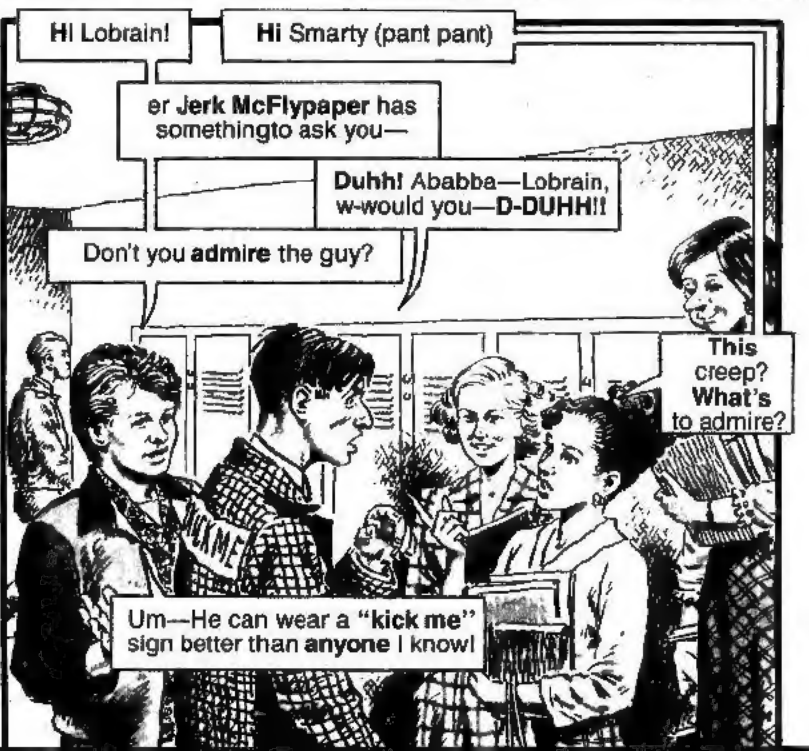

DYING? I don't want to go
out with any sick girls!

I mean that she really wants
to go out with you!

ME? She must be sick! Even my cousin,
Hairy Hilda, won't go out with me!

MARRAIGE IS PROBABLY THE CHIEF CAUSE OF DIVORCE ...S.P.S.

Hi Lobrain!

Hi Smarty (pant pant)

er Jerk McFlypaper has
something to ask you—

Duhh! Ababba—Lobrain,
w-would you—D-DUHH!

Don't you admire the guy?

This
creep?
What's
to admire?

Um—He can wear a "kick me"
sign better than anyone I know!

Your car's rigged up! Wear this lightning rod on your head at 10:05 while doing 88 miles per hour! The bolt will hit you and jolt you into the future! Simple enough?

CHART
ANOTHER CHART

Yeah, if you call getting hit in the head by a lightning bolt simple!

That reminds me, how's your mom? is she going to the dance?

You bet—with me!

WOW! What's going on Joe? I thought **CRACKED** was a family magazine? Smarty's relationship with his mom is—well—

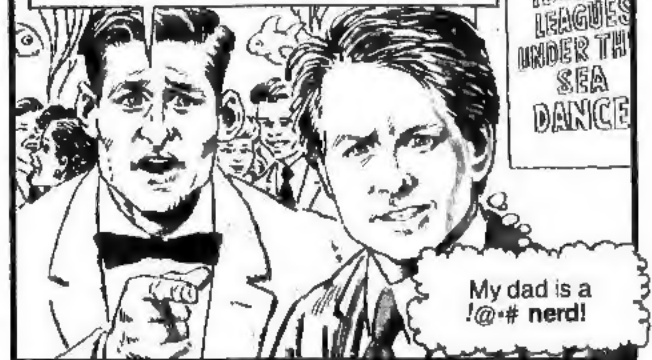

Don't worry! This is a family movie believe it or not! Watch what happens that night—

It's no use! I'm a failure! Lobrain is going to the dance with you!

I've got a plan! You rescue her from me when I try to take advantage of her in the parking lot! She'll be so grateful she'll shower you with affection!

Take advantage of her? Why you—you mean you're gonna try and swap her two fives for a twenty dollar bill?

100,000 LEAGUES UNDER THE SEA DANCE

My dad is a !@# nerd!

NOTE: GET the ironies that arise from Panel 2 on Page 7? Hmm?

Before we go in to the dance—wanna drink?—or a cigarette—or two?

YECCHI! You must have every bad habit in the book! You probably even eat salty and fatty foods!

So what (burp)? Wanna slab of bacon? I gotta bunch in my purse!

So there you are!

You aren't my dad! If you are, you've certainly grew some! Get it? Gruesome?

I'm gonna pulverize ya for makin' a fool outta me before!

I don't remember that part Joel

That's 'cause we didn't have room in this satire to show it! But believe me, Smarty humiliated Beef but good!

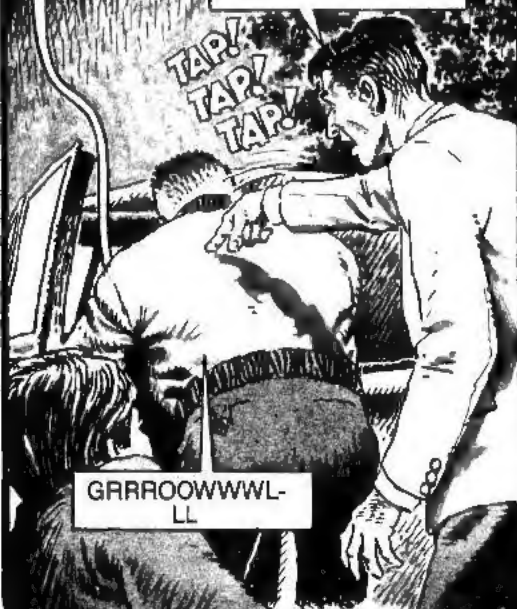

HELP! HELP!

"UNHAND THAT WOMAN!" Did I say that right, Smarty? Did I? Huh? Did I?

GAAAH! You're not Smarty! If you are you've certainly grew some—get it? Grue—ULP!

That "joke" was used two panels ago! I'm gonna pulverize ya!

GRRROOWWL-LL

Oh Jerk! Where did you get the strength to ground beef?

I dunno! I was just munchin' on this stuff from this can and—

GROAN

Thanks for letting me pose as one of you so I could make sure Lobrain and Jerk got together! Before I go, lemme strum this hit made popular by Motley Crue!

SKREEECH!
SMOOOCH!
SMOOOCH!
SMOOOCH!

What took you so long?

They tried to lynch me when I played some hits from the '80's!

Are you sure there'll be a lightning storm by 10:05?

Positive! The weathermen predict clear skies with no chance of rain—so there gotta be a wicked storm comin'!

Good! Now get in that car—hit 88 and get hit by that bolt!

Thanks—I Think!

YEEEE HAH

BRZAP!

I'm back in 1985 and you're alive Doc!

I was wearing a bullet proof vest! I read the note you left me in 1955!

I thought you said you wouldn't read it and mess with the future!

Normally, but Spielberg said we gotta have a happy ending if we want a big hit!

Now that you've got your girlfriend, the four of us are going back to the most important date in history!

The invention of the Wheel?

The invention of electricity?

The Civil War! OK! I'll get my pencils sharpened, pull out all my confederate uniforms—

Sorry John this is an even more important date!

Here we are! The first day CRACKED hit the stands in 1958!

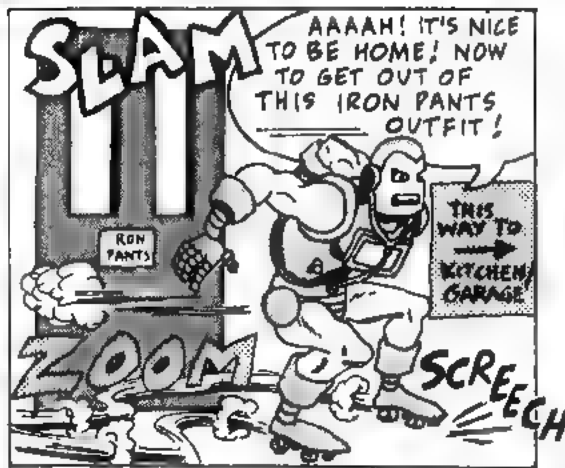

All I can say is "I quit!" I got rid of my television—and the telephone's next!

TH'END

They're on T-shirts, posters and toys! They've had their own TV shows...they're gonna be in their own big movies soon...heck, they even got their own COMIC BOOKS! So we might as well present a

A black and white comic book illustration. On the left, a character in a flight suit is shown in a dynamic pose, appearing to be punched or falling. On the right, another character is shown from the chest up, wearing a flight suit with 'EAT AT JOE'S' written on the back. This character has a surprised or pained expression and is holding their head. A large, stylized 'B*MP!' sound effect is written above the character on the right. Below the character on the right, a speech bubble contains the text 'Sorry Dupel'. In the bottom left corner, the number '29' is visible.

But that's never stopped other stupid toys (present company included) from selling like heck!

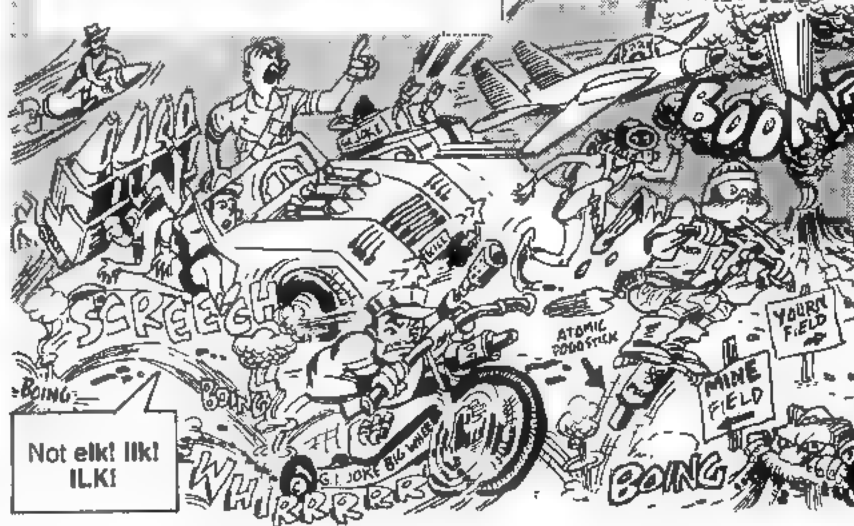

True!
The only thing stopping us from being #1 is that lersh-lugginer HU-MAN!

Good thing I had the uncanny foresight to plant a spy in the Mess-Ups' Universe!

Onward fellow G.I. Jokes! Onto Ehernia where Hu-Man and his ilk live!

Eik? Hu-Man has ilk?

Not ilk! Ilk! ILK!

MEANWHILE AT CASTLE GREYSMELL

Prince Adum! Word's out that G.I. Joke plans to invade Ehernia!

Is that so, Dorko, my magical imp friend?

I must become Hu-Man! I'll raise my magical sword and say the magical sayin'!

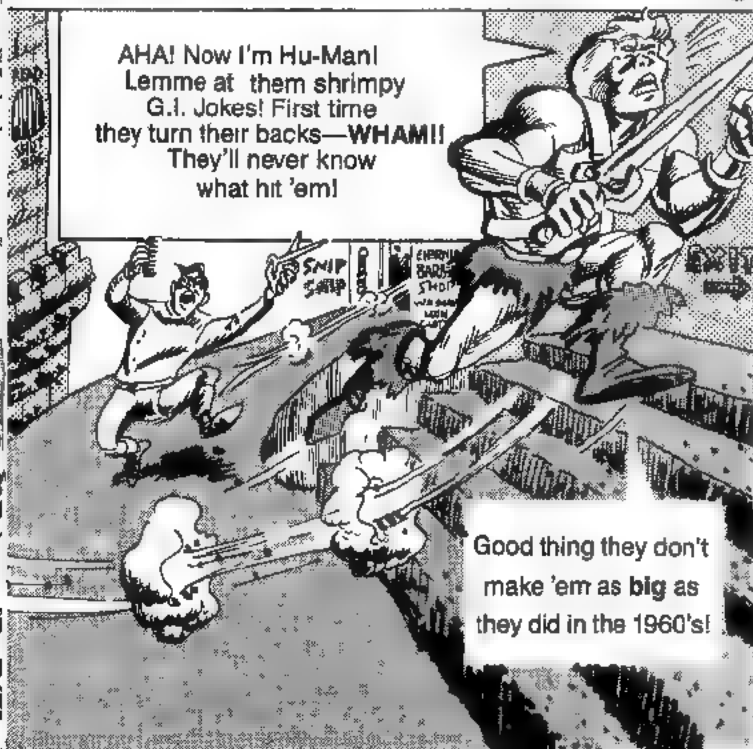

THE POWER! I WANNIT!

I picked up a lightning rod instead of my trusty rusty sword!

AHA! Now I'm Hu-Man! Lemme at them shrumpy G.I. Jokes! First time they turn their backs—WHAM!! They'll never know what hit 'em!

Good thing they don't make 'em as big as they did in the 1960's!

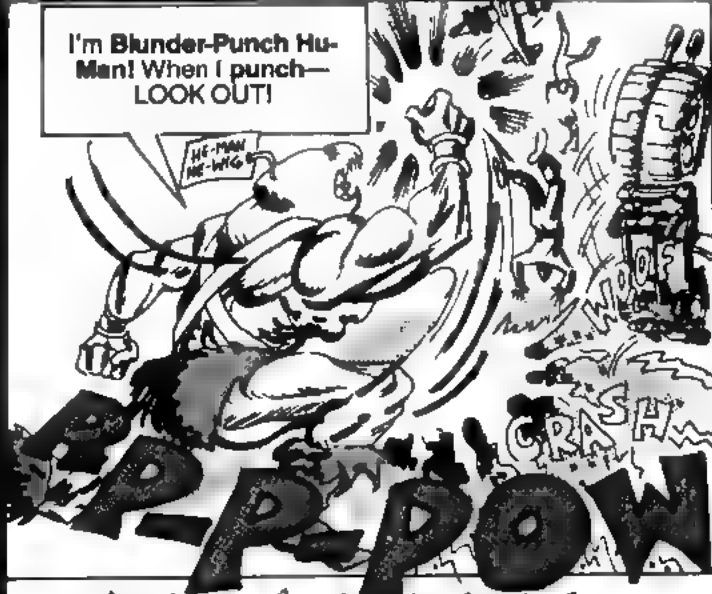

ATTENTION ALL YOU MESS-UPS

Oh sure, there's still the **THUNDERSCATS**, **STUPOR-POWERS**, **M.E.S.S.K.** and other action figures, but if we can beat Hu-Man, then **nothing** can stop us, sir!

But I've gotten **tons** of letters from kids about what they **really** want and 'tain't you guys!

What? Who could it be? We got ridda alla dolls! Could it be the Sylvester Staloon **RUMBO** figure? Izzit the **SYLVESTER P. SMYTHE** action janitor figure mebbe?

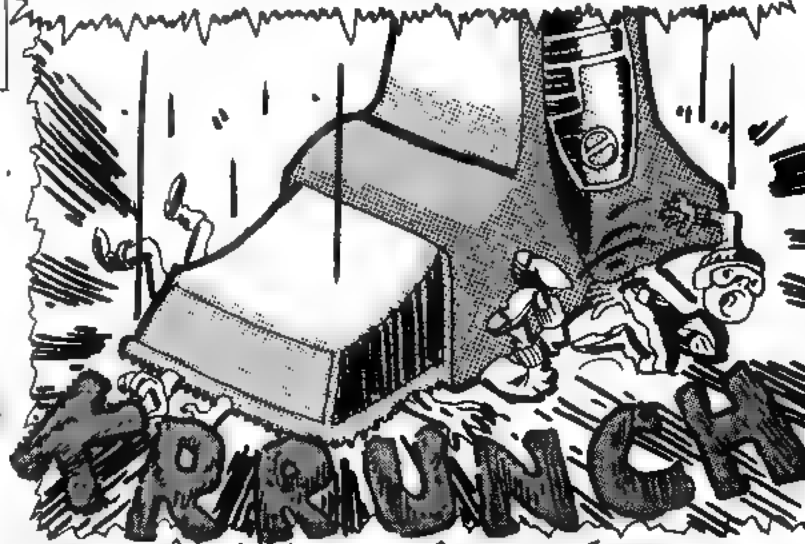

What could it be? What's more fun to get than a pack of bloodthirsty high-tech fightin' killin' dol—er—action figures?

OOPS! Look up there, Dupe!

WE'VE ARRIVED SANTA!

Yup! This is what the kids **really** want! The **TRANSFORMERS**, **BOLTRON**, **ROBOYECCH**, **MAX SCHMIEL'S ROBOTTFORCE**, etc, etc, etc!

But we all know the **TRANSFORMERS** are **better** and more **popular** than these bolt buckets!

Sez you, metal mouth!

Hi, there, this is Nancy Dickering for CRACKED Magazine. Today I'm interviewing a *living legend*...a man whose annual visit brings joy to billions...the one the only...*Santa Claus!*

Ho-ho-ho and all that rot! Let's get on with it, Nancy. my sleigh is *double-parked!*

it's amazing how a man like you can drag along such a *big fat bag* wherever he goes!

Keep my *wife* out of this, you hear?

You know...I still can't believe you're actually here! I mean...are you *really* Santa Claus?

Who else would wear a *red suit* in December?

CRACK MAG

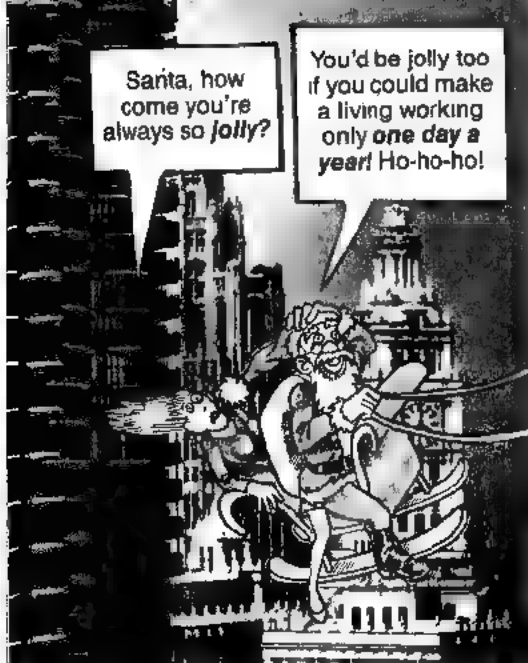

GO AWAY

Tell me, Santa... exactly how *old* are you?

I can't tell exactly... but my *Social Security* number is 3!

Do you still live at the North Pole?

Of *course!* Where *else* could you find rent that cheap? Besides, who could *sell* a house up there?

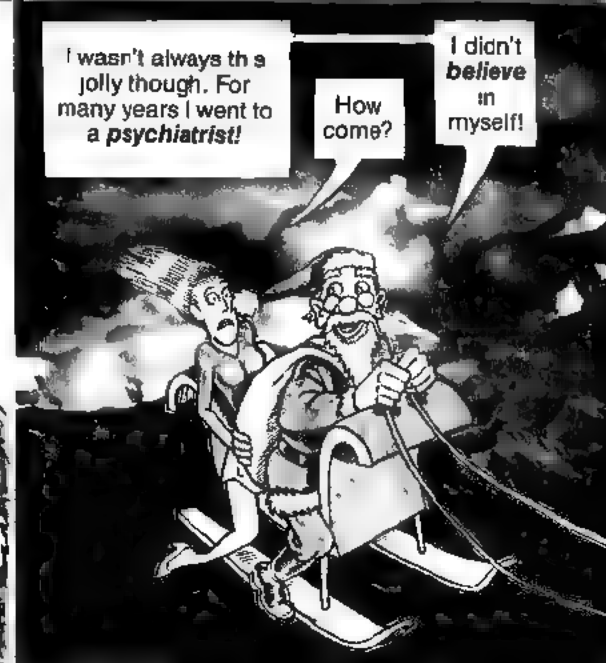

Santa, how come you're always so **jolly**?

You'd be jolly too if you could make a living working only **one day a year**! Ho-ho-ho!

Where'd you get that **infectious laugh**?

Probably picked it up in a **bar in Jersey**! You catch **everything** there!

I wasn't always th a jolly though. For many years I went to a **psychiatrist**!

How come?

I didn't **believe** in myself!

Santa, you're also know by a lot of **other** names. Like **Kris Kringle**, **Saint Nicholas**, names like those! Why is that?

I never like to give my **right name** when I'm on the **road**!

What's your **real** name?

Irving Finster!

What? **Santa Claus** is **Irving Finster**?

Now you know why I keep **changing** it!

If you had a tag like that, you wouldn't give your **right name** **either**!

Is it true you create all the toys **yourself**?

Yes, all except the **computers**. Could never figure out those danged things!

So **that's** why you hire all those helpers! But why **elves**?

They're **small**...they don't take up much **room**!

What do they do in the **summer time**?

They sweat a lot!

You mentioned you *wife* before. I take it there *is* a Mrs. Claus!

There *is*...and you can take *it*!

Does she *mind* you being away every Christmas?

No...as long as I'm home every night for *supper*!

I must ask you...how do you fly over *rooftops* so quickly?

I accidentally back into the *reindeer's antlers* getting into the sleigh! *Oooohhh*, they hurt!

I'm *only* kidding...I love my wife. Last Christmas I got a *mink* coat for her. Best *trade* I ever made!

Santa's Helper

Tell me...what do you think of all those *department store Santa Clauses*?

There's just *too many*! One store had *two Santas*.. one of them headed an *Express Lane* for kids who asked for *five gifts or less*!

It's gotten so crowded you can't get a *job* there anymore. One guy applied as a department store Santa and they told him to come back *after Christmas*!

THE LAST STARSHIP

GONE FISH'N

What's your *pet peeve* about Christmas?

That it always comes when the stores are so *crowded*!

Any other *peeves* about the holiday season?

Yes...the *noise* on Christmas eve with all those radios and TVs blaring away playing "Silent Night"...it's *ridiculous*!

Santa...how do you feel about the people who say Christmas should be celebrated **every** day of the year, not just December 25th?

Are you **kidding**? Let them ride a sleigh 365 times a year!

A lot of **rock stars** and **hippie-types** are hanging up their stockings this year! What are they going to **find** in those stockings on Christmas morning?

What do you **yourself** want for Christmas?

A summons from the **Board of Health**!

My two **front teeth**! Had them **knocked out** last year in Central Park!

I'm only **kidding**... there **is** something I want for Christmas that not even I could come up with!

What's that?

A ticket to a **Bruce Springsteen** concert!

Just one last question, Santa...how much do you **weigh**?

About **300** in my stocking feet!

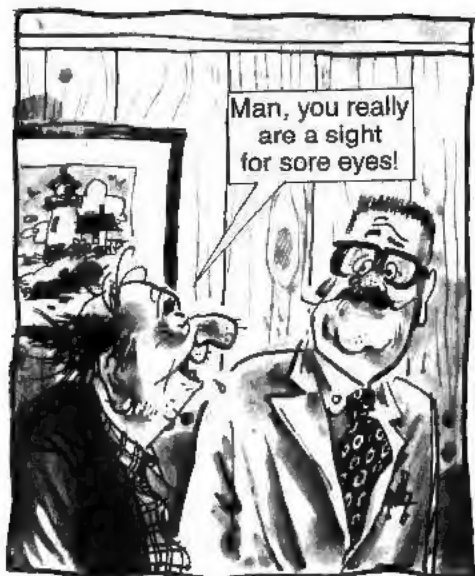

Now, that's just my **stocking feet**. The **rest** of me weighs about **500 pounds**!

This is Nancy Dickering signing off for **CRACKED Magazine**!

CRACKED?? You mean this isn't an interview for **Rolling Stone**?
